- Hiring-Employee and Independent Contractor Agreements
- Financial Technology (Crypto and Blockchain)

## M&A AND INVESTMENTS

- Corporate and M&A
- Venture Capital
- Private Equity
- Private Investments
- Corporate Law
- Securities

I run a successful and growing law firm because, unlike most other law firms, I get it: The practice of law is not about the lawyer or law firm being the protagonist. It is about the client and their success. We help our clients shine. When they celebrate, we celebrate. We are in it together. I make every attempt to let our clients know that they come first and that our team will adapt and respond to their needs.

# MERGERS & ACQUISITIONS (M&A)

Our law firm provides unparalleled expertise and valuable experience to guide clients through complex M&A transactions with **precision and foresight**.
